I think we'll be ok. Or John can follow up with you if he needs to.

Basically, I want you guys to be aware that the CPG will be asking for timing on when EPA thinks they can send the letter directing the CPG to proceed with an interim remedy. I want John (who will be on the call with the CPG later in the day) to be prepared.

Subject: Declined: Update on 17 mile strategy before the call with the CPG
When: Wednesday, December 13, 2017 8:30 AM-9:00 AM (UTC-05:00) Eastern Time (US & Canada).
Where: Walter's Conference Room

I'll be in Edison tomorrow, and have a conflict at 8:30 (and 9:00, etc.). I assume you don't need me for this pre-meeting.
